
Whistle Bear Golf Club Takes On New Partners

Cambridge, ON – August 1st, 2011 – Whistle Bear Golf Club & Conference Centre announced today that effective immediately, the Landmark Group of Companies will hold a partnership position with Whistle Bear.

The Landmark Group has a well-earned reputation for success in the food and beverage industry, as owners of the Ancaster Mill, Spencer's at the Waterfront, Earth to Table Bread Bar and the newly renovated Cambridge Mill.

According to Brad Duench, Managing Partner, Whistle Bear Golf Club & Conference Centre, the goal of this partnership is to increase the capabilities of Whistle Bear, and provide members and the community alike with an even greater food and beverage experience when they visit the club.

"We are very excited to welcome the Landmark Group to Whistle Bear," stated Duench. "I believe this is the last piece of the puzzle that will set Whistle Bear apart from every other private facility in the region."

Whistle Bear Golf Club & Conference Centre offers a championship links-style golf course, outstanding facilities in a spectacular country setting, a complimentary gym membership, and the best food and beverage expertise in the industry.

"Our company and family are very excited to partner with Whistle Bear Golf Club & Conference Centre, and their great group of companies and individuals," said Aaron Ciancone from the Landmark Group. "The quality of the golf course, commitment to service and great atmosphere is what we have built our core business model around. Whistle Bear Golf Club adds to it perfectly."

No operational changes are expected at Whistle Bear Golf Club & Conference Centre for the next few months, as the Landmark Group gets to know the membership and facility.

Whistle Bear truly is a club for everyone. Make it yours in 2011.
